Dear Friends,

I am pleased to share with you the totals from the 2008 CROP Walk. There were **eighteen** area churches that participated in the WALK this year. The total of the contributions of the Geneva Lake WALK that we forwarded to Church World Service or were given online was **\$16,986.21**.

Our total amount this year is a bit below the goal we had set for ourselves at the outset of the WALK, but given the difficult economic times we are all feeling this total is a very respectable one indeed. I thank all of you for the work and dedication that you gave to make the WALK a success; we can be grateful for the generous support you raised for the WALK. I have listed below the total giving for each church. Please check that the numbers agree with your own records.

I anticipate that in the coming days we will receive a check from Church World Service in the amount of 25% of the donation total for the 2008 WALK. These monies we will distribute in equal amounts to the area food pantries we support. When that happens, I will send a final accounting.

Thank you again for your dedication to this very worthy effort. I look forward to working with you in the year ahead.

Sincerely,

Rev. Bob Meyer, 2008 CROP Walk Coordinator
