Dear Immanuel UCC,

On behalf of the Time is Now to Help, we want to sincerely thank you for your generous donation of \$500.00 in November. Your support was put to work immediately, bringing urgent assistance and hope to our neighbors in need—including senior citizens, people with disabilities, veterans, struggling families, and single mothers with children. It also was matched by the Fall Family Legacy Matching Grant, doubling your donation.

A few examples of how your kindness made a real difference.

A homeless elderly couple were provided with emergency shelter.

A mother and her 3 children were helped after escaping an abusive and dangerous marriage.

A homeless single mother and 2 children were provided with rent and security deposit.

These are only a few of the many people helped in November because of your generosity during the holidays, and all year long, truly changes lives. We wish you a very Merry Christmas and a Happy New Year!

With heartfelt gratitude,
Connie Dimiceli—Treasurer

Dear Immanuel UCC,

Thank you for your generous donation to Agape House. We are excited about all that God is doing in and through Agape. We currently have 16 teens in teen residential program and four young women in our transitional living home. All three of our homes have a waiting list.

We look forward to opening our new home in 2026 and say yes to even more hurting teens.

Thank you for helping us to offer the greatest gift of all, Jesus! I pray your Christmas is filled with His Peace, Joy, and Love.

Pam Patterson

Dear Friends,

Thank you for your generous support of Open Arms Free Clinic. Your donation of \$500 strengthens our mission to better understand and serve with compassion the health and wellness needs of the uninsured and underserved residents who live and work in Walworth County.

Your gift allows us to provide general medical, dental, behavioral health, lab, pharmacy, and specialty services to qualifying patients free of charge.

Again, thank you for your thoughtful gift, and most importantly, your generosity and support.

With gratitude,
Sara Nichols, MPH
Executive Director
