

## **Holiday Food Baskets**

For the past 20 years, each Thanksgiving and Easter, we have gathered enough food for a family to enjoy a full traditional meal. Thanksgiving we deliver a turkey, potatoes, stuffing, vegetables, cranberry sauce, and dessert: Easter has a Ham, and all the trimmings. These Baskets are freely given to families, the elderly, and others who might not otherwise be able to afford the traditional feast most have come to expect as a natural event. The program has grown from delivering 6 baskets at Thanksgiving to 50 such baskets this year. It needs to be mentioned this has been done with the help of the Big Foot Lions and Walworth's Immanuel United Church of Christ.
