September 2023

Moderator’s Moment

Too quickly Summer passes us by, and we are looking at the changes that early September brings to our days and evenings. Already we witness the shorter days and, although we may not be prepared for this, the subtle changes in color on trees. I love the changes in our seasons. I hope you do as well.

Our Cream Puff & Éclair sale was a tremendous success. We sold out at 2:00 p.m. Many, many thanks to all of you for your participation. It would not have happened without all the help from our members and, of course, community and friends who support our

project. A very big THANK YOU to Gary and Gloria for organizing this project.

We held service outdoors a few weeks ago. Hopefully, we will be able to do that another time before the weather tells us otherwise.

I truly hope your summer has been enjoyable and memorable and that you are looking forward to early fall.

Again, if you would like to put a note on our website, please let me know by the third week of the month so that I can pass on the information.

Enjoy your day!

Love to You,
Lucy
