

Meals On Wheels

Meals on Wheels is sponsored by Walworth County Department of Human Services. Senior citizens aged 60 and over who are homebound are eligible. An in-home assessment of need is required. A donation for each meal is requested. Immanuel UCC helps by volunteering to deliver meals to the home of eligible persons. Several area churches and civic organizations participate on a weekly rotation basis. Those receiving meals get five nutritious meals per week. Lois O'Brien is Immanuel's contact person.
